Timeless Elegance

Our Bohemian beads embody timeless elegance that goes beyond passing trends! Crafted for centuries in the glass-making heart of Czech Republic since the 1960's, these glass beads ensure quality and classic aesthetic.

Unmatched versatility

Whether crafting delicate jewelry, unique accessories or couture fashion styles, our Bohemian glass bead adapt to all creations. Their versatility allows designers enthusiasts to unleash their imagination.

Heritage: traditional craftsmanship

By choosing Jablonex glass beads, you're investing in a legacy of exceptional craftsmanship. Each bead is carefully shaped by experienced artisans, preserving a centuries old tradition that gives a unique value and authenticity.

Guaranteed Quality

We take pride in guaranteeing the quality of our Bohemian glass beads. Each beads undergoes strict quality control to ensure the best performance and durability in its kind.

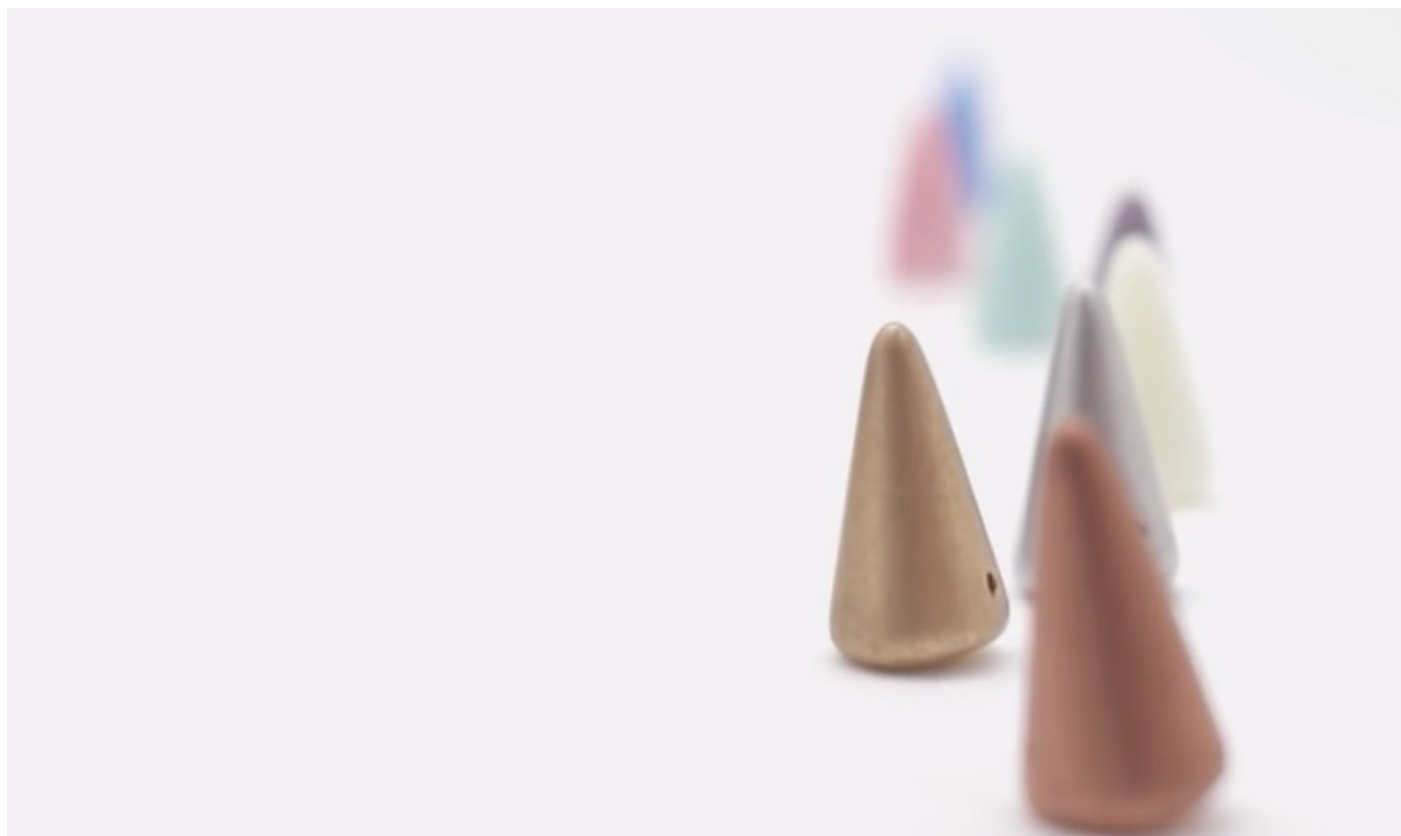

Pressed beads

Variety of styles and shapes

Our Bohemian glass beads collection offers a rich variety of styles, from classic round beads to more creative and unique shapes. Whether transparent, iridescent, flat, sculpted, each piece tells a story of artisan skill and creativity.

We offer a wide range of glass components for the **FASHION INDUSTRY**.

We have **2000 shapes, 800 colors and 2000 coatings**.

Here you will find a selection of beads chosen following the latest fashion trends. Most combinations of shapes and sizes are possible under request.

Pressed Beads:

Manufactured with semiautomatic technology, carefully shaped, polished, coated and finished.

Lamp Beads:

Hand made from Bohemian glass rods, piece by piece, making every bead original.

Fire polished beads:

Manufactured with semiautomatic technology and polished by fire.
